

Robert M. Aiken

Associate Professor and Research Crop Scientist
Kansas State University, Northwest Research-Extension Center
105 Experiment Farm Road, Colby, KS 67701
785-462-6281 raiken@ksu.edu

Education

1992 Ph.D. Soil Biophysics. Michigan State University.
1988 M.S. Agronomy. University of Nebraska. Minor: Water Resources Planning and Management.
1977 B.S. Botany. University of Nebraska. Minors: Chemistry, Geography, Economics.

Professional and Academic Appointments Experience

1998 to present: Research Crop Scientist, Northwest Research-Extension Center, Kansas State University.
1995 to 1998: Post-Doctoral Soil Scientist, USDA/ARS Central Great Plains Research Station, Akron, CO.
1992 to 1995: Post-Doctoral Soil Scientist, USDA/ARS Great Plains Systems Research Unit, Fort Collins, CO.
1989 to 1992: USDA Water Science Fellow, Department of Crop and Soil Sciences, Michigan State University.

Selected Professional Advisory/Consultation Activities

USDA Sunflower Crop Germplasm Committee, 2001 to 2015
North Central Regional Committee 1200 Regulation of Photosynthesis, 2004 to present
Central High Plains Working Group, 1997 to present
Team member: US-China Scientific Cooperative Exchange Program 2017: Adjusting Agricultural Practices in Response to Environmental Change—Climate Resilient Agriculture
Member American Society of Agronomy
 Crop Science Society of America
 Soil Science Society of America

Current Responsibilities

Direct field research with goal of managing crop systems to avoid, mitigate or improve crop tolerance to stress induced by water deficits, chilling or heat in intensive semi-arid cropping systems.

Publications
