

Sensitive Groundwater Areas

Kansas Corporation Commission
Conservation Division

-  County
-  Approximate limit of the Hutchinson Salt Member
-  Boundary for GMD #2
-  Quaternary and Tertiary Alluvium
-  Quaternary Dune Sand

Map prepared by Kansas Corporation Commission for the Conservation Division to outline the sensitive groundwater areas applicable to Table III as referenced in K.A.R. 82-3-600b. Geologic boundaries indicated on this map are consistent with the GEOLOGIC MAP OF KANSAS, M-23 1991, published at a scale of 1:500,000 by the Kansas Geological Survey.
